

Critical Information Summary
Plan: Value – No Contract: 110 per month

This plan summary provides you with the important information you need to know.

The Canard Value \$110 plan is only available to Business customers with an active ACN/ABN. There may be technical or commercial reasons that affect our ability to connect a service at your address. Your Canard sales consultant will advise you if this applies to you.

This service provided telephone and internet services for your Business residence. The maximum cost for a one month service is \$232, plus cost of calls made as per table below. This amount includes a early termination fee of \$121, including GST, applicable if the service is disconnected within the first 12 months.

This plan includes the following for use within Australia.

Usage Types	Cost (incl. GST)
Internet	250gb, then \$10 per gb charged per mb
+\$30 per month	250gb internet bolt-on (optional)
+ \$55 per month	750gb internet bolt-on (optional)
Local Calls	500 free calls a month, then 20c per call
National Calls	500 free calls a month, then 17c per minute, charged per 30 seconds
Mobile Calls	37c per minute, charged per 30 seconds
Connection Fees	39c per call to national numbers and mobiles
13/1300 Calls	40c per call
International Calls	See www.canard.com.au/international

For all other charges see www.canard.com.au/terms

Standard Call Cost

The cost of a 2 minute call to any Australian mobile, including connection fee, is \$1.13.

Minimum Total Cost

The minimum total cost for the service connected for 1 months is \$232. This does not include telephone calls, and is without any optional internet bolt-on.

Upfront Fees

\$59.95 if a working telephone socket is present from a previous connection and a technician is not required to visit the premises.

\$128.13 if a previous telephone service existed and a technician is required to visit your premises/property to reconnect existing suitable cabling at the main distribution frame or first socket where no main distribution frame exists.

\$306.47 if no telephone service has previously been connected to the premises/property (although cabling may have been previously been installed to your premises/property and you can

hear a dial tone).

\$306.47 if a previous telephone service existed at your premises/property but a technician is required to visit the premises/property to install and/or work on the cabling up to the main distribution frame or first socket where no main distribution frame exists.

Your Canard sales consultant will advise you if any fee applies to your Canard service.

Minimum Monthly Charge

Upon connection of the Canard Complete plan, the first minimum monthly charge is \$90, plus any pro-rata charges. The pro-rata charges are worked out as a proportion of how many days are left in the billing cycle from the day of connection of your Canard service, plus one month in advance. The Canard billing cycle ends on the 28th of each month. All invoices are due for payment by the 15th of the following month.

Equipment needs

You need a compatible telephone handset to use this service. If you use any disability or medical services, or have a back-to-base alarm, you may require some additional equipment or even an alternate Canard service. We will tell you if the Canard Complete plan does not support your equipment or requirements.

Special Promotions

This plan summary does not include any special promotions. These will be advised to you separately by your Canard sales consultant.

Plan Changes

If you change your Canard plan during your contract, a fee may apply. Contact Canard customer service if you require further information.

Early Termination Fees

The early termination fee is \$121 and is payable if you cancel your service within the first 12 months.

Paper Invoice Fee

A \$3.00 per month account fee applies if you receive your Canard invoice by post.
